

Our priority must continue to be to protect DACA and all immigrants. Sen. Lindsey Graham (D-IL) and Sen. Dick Durbin (R-SC) introduced a bill that would grant legal status to immigrants brought to this country at a young age — the Dream Act of 2017. But Donald Trump and far-right Republicans have already hinted that they will not support the Dream Act bill without adding more funds to hunt down and deport other immigrants.

To win permanent protection for all of our communities, we must come together to protect DACA. Doing so will give us the political currency to win more in the fights ahead. Right now, we need bold leadership from our Attorneys General to protect youth with DACA and their communities.

Call your State Attorney General ^[]_[SEP]832-610-3896 and say:

“Hello, my name is [name] and I am calling to ask the Attorney General to come out publicly to defend the DACA program. This program has changed the lives of hundreds of thousands of immigrant youth across the country and it must be protected. I expect my attorney general to support the immigrant community and protect DACA.”
